About Atradius

For nearly 100 years, Atradius has been supporting businesses by providing innovative and effective protection for domestic and international trade.

From this leading position, we have pioneered many aspects of credit insurance that are now regarded as integral to effective credit sales transactions. Our continuing innovations are helping to ensure that businesses are protected against the risk of non-payment as well as supporting their access to finance.

With 160 offices across 50 countries and access to information on more than 200 million companies worldwide, Atradius understands business and trade, together with the global risks.

Our Special Products are yet another Atradius innovation and provide protections tailor-made to specific risks. This information sheet is one of a series that helps explain the key benefits from our range of trade credit and political risks insurance.

Single Contract Cover

Our Single Contract cover offers a flexible way to purchase protection against political and commercial risks for specific contracts.

The cover is available to cover both the costs incurred when the contract is disrupted prior to shipment and the credit risk following delivery or completion of works.

Atradius can offer this together with cover against the unfair calling of bonds and guarantees for both public and private entities.

Cover is also available against the fair calling of a bond where the call is due to a political risk event.

Our database of over 100 million private and public buyers allows us to

offer rapid high quality risk assessment. We have the experience to support contracts on every continent.

Key features:

- Available for specific contracts; you don't need to cover every contract
- Tailor-made solutions; cover that precisely matches your contract
- Non-Cancellable limits
- Can support periods of up to seven years
- Pre-shipment risk and credit risk cover
- Up to 90% indemnification for private buyers, 95% for public buyers

- Can include cover for contractual bonds against unfair calling or fair call due to political risk

Benefits to the insured:

- Offers a flexible way to cover the credit and political risks of a transaction
- Protection from the political and commercial events that could prevent fulfilment of the contract
- Protection from the payment risk due to political or commercial events
